Read the following instructions carefully before you answer the questions.

1. Question paper consists of two sections—Section I and Section II. Section I consists of 25 questions on Third Language and in Section II there are 50 questions on Intelligence Test. All 75 questions are compulsory.

2. All questions carry 2 marks each.

3. Time limit given to solve the question paper is 90 minutes.

4. Separate answer sheet is provided to register the answers. Four circles are given in front of every question. Choose the most correct alternative and mark it on the answer paper as shown below.

Example:— If Q. No. 6 has option number 2 as the correct answer, then completely darken the circle no. 2 as shown below:

5. Answers marked in the following way will carry zero marks.

6. Use blue or black ball pen to darken the circle. Pencil is not allowed. Circles darkened by pencil will not be accepted.

7. Once you have darkened the circle as correct alternative you cannot change it.

8. If more than one circles are darkened or overwriting is done, the answer will not be accepted.

9. The rough work is to be done in the space given under each page or on the last pages of the question paper.

10. If you do not know the answer to any question, do not spend much time on it and pass on to the next one. If the time permits you can come back to the question which you have left in the first instance and try them again.

11. If you find any question incomplete or with error, then do not ask anything to the Supervisor or Centre Incharge.

12. For any error/mistake/objection about the questions one must give written application in person/by post/by E-mail directly to the Commissioner of the Council Examination. The school or parents should not approach Block Education Officer (BEO) or Education Officer (EO) for this matter.

13. The application regarding the objection on any question must reach the Council of Examination within 10 days, after the answer key is published by Council of Examination on their web-site. Only the applications that will reach within the given time limit will be considered.

14. Questions can be cancelled due to printing mistake or any other reason, on the basis of the suggestions given by the Committee of Experts.
