16. Choose one correct alternative:

If the medicine is the science and practice of diagnosis, then ....................... is the science of earth surface and physical features.

(1) geometry (2) geography
(3) physics (4) global

Instructions for Question Nos. 17 and 18:

Read the passage and correct alternatives for Question Nos. 17 and 18:

This is the special radio-programme about earthquakes, and what people should do in case an earthquake occurs. Of all the natural calamities, earthquakes are the worst. They strike without warning, last for only a few
seconds and cause heavy damage. But remember: Do not panic during an earthquake. If you can reach open ground within seconds, do so. If you are in a building, turn away from glass windows. Take cover under a desk or table. Put both hands on the back of your neck and tuck your head down. If you are outside a building, stay out. When the earthquake is over, you can leave your shelter.

17. Complete the following web by choosing the correct option:

If earthquake occurs and you are in building, what should you do?

(1) Put both hands on the back of your neck.
(2) Turn away from glass windows.
(3) Tuck your head down.

(4) [Blank]

(1) climb on the bed
(2) pull on a blanket and sleep
(3) take cover under a desk or table
(4) none of the above

18. Find the odd man out:

(1) Flood
(2) Earthquake
(3) Drought
(4) Bomb explosion

0622—C
19. Find out meaningful word related to internet from jumbled words:

kipewidia

(1) Encyclopedia  (2) Web-site
(3) Knowledge  (4) Wikipedia
